

VOLUNTEER OPPORTUNITIES

By volunteering our campaign team, you will have opportunities to:

- 1. Engage with the Community:** Connect with voters and listen to their concerns and ideas. Engaging in meaningful conversations will help us better address the issues that matter most to our constituents.
- 2. Educate Voters:** Help us share Mike Scott's vision and policy proposals with the electorate. By organizing educational events and distributing campaign materials, you can ensure that voters have all the information they need to make informed decisions.
- 3. Teamwork and Networking:** Collaborate with fellow volunteers who are just as passionate about creating positive change. Your fellow team members will be a source of support and inspiration along this journey. You will also have the opportunity to build networks and connections that can be valuable beyond this campaign.
- 4. Phone Banking and Canvassing:** Assist us in reaching out to voters through phone banks and door-to-door canvassing efforts. Through these direct interactions, you will contribute to expanding our campaign's reach and building personal connections.
- 5. Event Organization:** Help us plan and execute campaign events, fundraisers, and rallies. By getting involved in event organization, you will play a crucial role in creating an environment that inspires engagement and community spirit. Your time and effort will make a real difference in this campaign. To join our campaign team, please fill out the volunteer form on our website or call our campaign office. We will reach out to you promptly and provide you with all the necessary information and training.
